Dear (Name),

I am asking for your support to help Civitan International sustain the Civitan International Research Center - a state-of-the-art facility with the world's leading doctors and scientists specialized in intellectual and developmental disabilities. Research, treatment, and therapy of important illnesses such as Down syndrome, Alzheimer's, and autism are performed daily at the Civitan International Research Center.

I will be participating in the Civitan Putt-n-Chip Fest in Reno, Nevada this July. The funds raised in the benefit will help support the Civitan International Research Center. I am proud to join other Civitans at the event committed to our cause.

It is my duty as a Civitan to raise money to benefit the Civitan International Research Center and I cannot do my absolute best without your support. Please consider making a tax deductible donation to the Civitan Putt-n-Chip Fest in support of the Civitan International Research Center.
